

Peter Frisch

My wife, Millis, and I live in Windsor. I'm originally from Illinois but moved to California in the mid 70's. We moved up here over 25 years ago from the San Jose area. Now semi-retired, I worked in the automobile claims department of State Farm Ins. We also still work occasionally at DeLormier winery in the tasting room.

I have a daughter in Wisconsin; a stepson here in Windsor; and a stepson his wife and 2 children living in Lima, Peru. My neighbor, Wayne Lindahl, introduced me to SIRS. I bowl on Mondays with the seniors at Windsor Bowl.

We enjoy traveling and getting together with friends for occasional lunches or "happy hour".
